

To whom it may concern,
I can't believe this is even an issue. To try to be a monopoly seems wrong enough in itself. What's to say anyone says XM radio can't offer what everyone else is able to offer. I think anyone trying to stop them is violating our civil rights. I hope this letter helps stop this ridiculous power they are trying to have over us. If this same nonsense starts happening on a bigger scale, I will be leaving the country forever and helping another country that believes in what our country was founded on.
Sincerely,
Brandon Lund
